

Triton Protect Excess Wear & Use Protection covers a leased vehicle from excess wear and use and helps protect the driver from additional costs at the lease end. This protection plan is only available when you lease a new or Certified Pre-Owned vehicle.

Key Features

- Maximum Payment of up to \$5,000 for all excess wear and use charges assessed at lease end.
- Maximum Single Event Limit of \$1,000 for each covered event resulting in excess wear and use charges.
- Multiple term options available to match the lease term (maximum term 72 months).
- Cancellable during the term of the lease.
- New vehicles must have less than 10,000 miles at lease to be eligible.
- Certified Pre-Owned vehicles must have less than 20,000 miles at the time of lease to be eligible.

Examples of Excess Wear & Use

Interior cuts, burns, or stains.

Damage to tires, rims, or hubcaps.

Broken or scratched windshields, windows, mirrors, or lights.

Damaged bumpers, body dents, dings, or scratches.

Missing parts of or equipment.

Notes

- Does not cover excess mileage.
- If canceled during the lease term, a partial refund for the unexpired term will be made to the lessee.
- Covered excess wear and use items must be within the limits described in the agreement received at the time of purchase.
- Missing parts or equipment valued at over \$100 are not covered.
